## **World Class Technical Services**

OxfordGC is a privately held, SBA VetCert-certified Service-Disabled Veteran-Owned Small Business (SDVOSB). Our service delivery model is built on delivering innovation, automation, and operational efficiency across our client's technology services portfolios. Grounded in Agile, CMMI, and PMBOK-based frameworks, our implementation approach ensures disciplined, high-quality, standardized, operational execution. With nearly two decades of experience serving both Federal and commercial clients, we specialize in software operations, advanced technology support services, field operations support, healthcare and benefits services—supporting the defense sector, federal civilian agencies, veterans, and citizens alike. Our team has a proven track record of successful program delivery across our broad client portfolio. As a mission-driven small business, OxfordGC is committed to empowering veterans through meaningful career opportunities and remains unwavering in our support of the Defense and Civilian Sectors.

*Since 2009, OxfordGC has delivered world-class technical services to defense, civilian, and commercial sectors—driving innovation and mission success by solving our clients' most complex challenges.*
