AGILE4VETS LLC (A4V) AWARDED VA'S IHT 2.0 CONTRACT TO TRANSFORM VETERAN HEALTHCARE SERVICES

Washington D.C. | September 22, 2025

North Beach, Maryland, September 23, 2025 – Agile4Vets LLC (A4V) - an all-Service Disabled Veteran Owned Small Business Joint Venture between **Oxford Government Consulting LLC**, HRS Consulting, Inc., and 4th Sector LLC - is proud to announce its selection as an awardee on the Department of Veterans Affairs (VA) Veterans Health Administration Integrated Healthcare Transformation (VHA IHT) 2.0 contract, a cornerstone program designed to enhance benefits and services for Veterans across every health care market in the United States while delivering strong value to taxpayers and our community partners.

The IHT 2.0 program emphasizes innovation, competition, and flexibility in delivering healthcare-focused services. As an awardee, A4V will play a vital role in advancing VHA's mission to provide high-quality care and benefits to Veterans.

Key benefits of this contract include:

- **Supporting Veterans** through the delivery of Veteran-centric, healthcare-specific program solutions that improve outcomes and experiences.
- **Maximizing Taxpayer Value** through efficiencies including streamlined procurement, increased competition, and optimized processes to ensure responsible use of public funds.

- **Enhanced Services** by optimizing integrated service offerings for Veterans with enhanced capabilities designed specifically for healthcare transformation, thus enabling the Veterans Health Administration to deliver the best care all the time across every healthcare market in the United States.
- **Mission Commitment** by directly contributing to the sacred mission of serving Veterans and ensuring they receive the care and services they deserve.
- **Future Opportunities** through significant subcontracting and teaming opportunities to strengthen collaboration toward the singular goal of Veteran Health delivery across critical VA initiatives.

“This award is a tremendous honor and responsibility”, said Gregg Kelly (A4V Member Partner). “As Veterans ourselves, we are deeply committed to supporting the VA’s mission and ensuring that Veterans receive the highest quality and safest possible healthcare services to meet their needs and preferences while also maximizing value for taxpayers.”

The IHT 2.0 contract positions Team A4V to deliver innovative solutions, expand mission-oriented partnerships, and help shape the future of Veteran healthcare for years to come.
