VA VISN 10 Medical Document Scanning Award Announcement

Oxford Government Consulting Awarded Veterans Integrated Services Network (VISN) 10 Medical Document Scanning Contract

North Beach, Maryland

North Beach, MD — February 17th, 2026 — Oxford Government Consulting, LLC (OxfordGC) announced it has been awarded a contract by the U.S. Department of Veterans Affairs to provide medical document scanning and records integration services in support of the Dayton VA Medical Center (VAMC) and the broader VISN 10 network. Under the contract, OxfordGC will deliver comprehensive scanning and importing of patient medical and administrative records into the VA's electronic medical record systems. The contract includes a one-year base period with four option years.

*"We are honored to support the VA and the clinicians who rely on accurate, accessible information to deliver exceptional care." said **Gregg Kelly, Chief Executive Officer of OxfordGC.** "This award reflects our team's deep commitment to quality, security, and mission-focused performance in service of our nation's Veterans."*

*"We are proud to continue building a workforce that is passionate about supporting healthcare missions and making a meaningful difference for Veterans and their families." said **Janet Dick, Human Resources Manager at OxfordGC.***
